Uniform Policy

1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

2. Our school's legal duties under the Equality Act 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment. To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all students the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all students
- Allow all students to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all students to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- Allow students to wear headscarves and other religious or cultural symbols
- Allow for adaptations to our policy on the grounds of equality by asking students or their parents/carers to get in touch with Mr J Henderson Deputy Headteacher, who can answer questions about the policy and respond to any requests

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents/carers' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics where possible, the only **compulsory** branded items are the school tie, badge and PE Polo shirt, which enables parents/carers to purchase the vast majority of items from any supplier of their choice
- Limiting items with distinctive characteristics to low-cost or long-lasting items, such as tie and school badge
- Considering cheaper alternatives to school-branded items, such as logos that can be ironed on, as long as this doesn't compromise quality and durability
- Avoiding specific requirements for items students could wear on non-school days, such as coats, bags and shoes
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler
- Avoiding different uniform requirements for different year/class/house groups
- Avoiding different uniform requirements for extra-curricular activities
- Making sure that arrangements are in place for parents/carers to acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consulting with parents/carers and students on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy
- We have a boot bank to support Students with the use of the 3G pitch.

Outdoor Coats

- Students should have a suitable outdoor coat for winter or inclement weather, which is waterproof and warm. Students will be asked to remove outdoor coats inside the building.
- The wearing of hoodies is not permitted on school site for safeguarding reasons. Identification of students can be difficult if they are wearing hoodies and this could put staff and students at risk.

Jewellery & Piercings

- Jewellery is not allowed in school. This is for reasons of safety and to guard against damage or loss. All forms of jewellery will need to be removed whilst in school. An exception to this is a watch and one set of earrings which should be a stud or a pair of studs. The earrings can only be worn if they are in the ear lobe, and not in the middle to higher part of the ear.
- All other piercings are not to be worn in school. If these piercings are seen by staff, your child will be asked to remove the piercing and they will be subject to our Behaviour policy.
- The school would recommend against students bringing expensive items of jewellery, fit-bits or watches including smart watches into school and will not accept any liability for theft, damage or loss

Mobile Phones

- The use of mobile phones is not permitted in school. Whilst we accept that parents/carers may want their children to carry their phone with them for safety reasons on the way to and from school, they should be switched off and out of sight when in school in line with our Behaviour policy. This is for safeguarding reasons and to prevent disruption to lessons.
- The school would recommend against students bringing expensive mobile phones into school and will not accept any liability for theft, damage or loss.

Make-Up

Make-up should be minimal with false eyelashes and drawn on eyebrows not allowed. False Nails are not allowed. This is for safety reasons and we expect parents/carers to support us with this.

4.2 Where to purchase it

Our uniform supplier is JD Fashions 19 Church St, Seaham, SR7 7HQ and branded items such as the school badge, PE shirt and tie can be purchased there in addition to other items of uniform. They now have a Facebook page under J.D. Fashions and Schoolwear for any parents/carers with enquiries. They have also set up a simple website under www.jdschoolwear.co.uk

Parents/carers are able to choose any other stockist or high street retailer for all non-branded items of uniform.

4.3 Second Hand Uniform

The school welcomes and receives donations of second hand uniform from parents/carers. This is a great opportunity for our school to recycle this and be able to offer good quality

second hand pieces at a reasonable cost. Any donations can be dropped off at the school office.

The school will designate a day during the summer holidays annually where parents/carers can come into school and purchase any second hand uniform available. All donated uniform which will then be available for sale will be in good condition and washed by the school in line with the DFE guidance.

5.3 Staff

Ongoing breaches of our Uniform Policy will be dealt with by Year Mangers in conjunction with the Deputy Headteacher, Mr Henderson.

In cases where it is suspected that financial hardship has resulted in a student not complying with this Uniform Policy, staff will endeavour to take a mindful and considerate approach to resolving the situation.
