

Summary: Brain dumps

1.

Identify knowledge

Identify the knowledge/topic area you want to cover.

2.

Write it down

Take a blank piece of paper/white board and write down everything you can remember about that topic. (with no prompts)

Give yourself a timed limit (e.g. 10 minutes)

3.

Organise information

Once complete and you cannot remember any more use different colours to highlight/underline words in groups.

This categories/links information.

4.

Check understanding

Compare your brain dump to your K/O or book and check understanding.

Add any key information you have missed (key words) in a different colour.

5.

Store and compare

Keep your brain dump safe and revisit it.

Next time you attempt the same topic try and complete the same amount of information in a shorter period of time or add more information.

Brain dumps are a way of getting information out of your brain
